**CrazyCrab jumps into the App Store! (special introductory price of \$0.99 / €0.79 / £0.69 during August)**

**Aug 03rd, 2012** – This little crab will make you absolutely crazy!

CrazyCrab must collect all his eggs, and he is really excited! Once started he doesn't stop, only an obstacle will make him change direction. So try to keep cool to help him in his unusual quest.

Simply touch the screen to make CrazyCrab jump. Stay focused in order to control his jumps: skill, touch and timing are the keys to success!

CrazyCrab takes you trudge in remote islands in search of his eggs. They wedged themselves everywhere: under the sand, among the rocks, deep in a cave and even atop a pyramid! The clock is ticking, so don't linger.

Show off your platforming skills, and see you in the top rankings!

What awaits you:

- ★ More than 50 levels of increasing challenge
- ★ Colorful graphics and varied settings
- ★ Easy one-touch gaming
- ★ Universal application (iPhone/iPod touch/iPad)
- ★ Game Center rankings
